

PERMITS \$260,785

FIRST 15 DAYS OF SEPTEMBER SHOW THIS ASTOUNDING TOTAL

The first half of the month of September looms large in building. There were 105 permits issued for a total valuation of \$260,785. Of these seventy-seven were for new residences and all but three of the remainder were for additions, repairs and remodeling of residences, or for garages. The largest permit issued so far was for \$12,000 and the next largest for \$7000, which makes the showing the more remarkable.

There were eight permits issued yesterday for a total valuation of \$19,740. They were as follows:

Mrs. E. S. Bates, 8-room double house at 533-535 Pioneer Drive	\$ 7,000
Thompson & Osborn, 6-room residence at 449 W. Broadway	4,500
Mr. Wilson, 5 rooms and garage at 349 Burchett	4,000
Laura Anderson, 4 rooms at 415 Myrtle	3,000
W. F. Brittin, garage at 405 W. Elk Ave.	550
Julius Witkowski, garage at 122 N. Central Ave.	300
J. E. Aycock, remodeling residence at 104 N. Belmont	300
R. A. Turner, garage at 111 N. Orange	90

The total amount of building for the year 1920 thus far, as shown by permits issued, was \$2,096,572. By far the greater part of this great sum has been put into new residences.

Intermediate News

The increased enrollment at the Intermediate of 150 over last year's attendance is accounted for by the fact that last year there were eight classrooms and now there are eleven.

Tuesday an assembly was called, over which our new principal, Miss Noble, presided. Mr. White, the former principal, said a few words in greeting to the students.

All the students have resolved to make Intermediate school the best in Southern California by high records in our studies, athletics, school spirit and deportment, both in the streets of Glendale and in the school. We are going to make the citizens of Glendale proud of us.

The remains are at the parlors of the L. G. Scovern Company awaiting word from relatives in Union, Iowa, before funeral arrangements are completed.

25 DODGE CARS

CLAYTON OVERJOYED TO RECEIVE BIG SHIPMENT OF AUTOMOBILES

George E. Clayton, Dodge Bros. representative for Glendale and vicinity, whose life has been made miserable for the past year or two by the anomalous condition that prevails in many lines of business today, of having orders for cars thrust upon him when he couldn't get the cars, is wearing a broad smile since the first of this week when he received twenty-five Dodge Brothers cars all at one time. Mr. Clayton says this shipment will not supply all of his orders but it will go a long way toward keeping the peace.

CLEAN AMUSEMENT

MR. BUTTS ASKS REMOVAL OF RESTRICTION CLAUSE FROM PROPOSED ORDINANCE

I note with mingled feelings of pleasure and regret that the tranquility of our little city is upset. I take pleasure in the fact that apparently some effort is to be made to induce our boys and young men to spend their evenings and spare time in Glendale under our own supervision by giving them an opportunity for wholesome recreation and amusement sufficiently diversified to interest and satisfy all but the vicious minded. I regret that the good people of our community are so far at variance as to how this may or should be accomplished that I fear the young people themselves may be the losers.

I attended the meeting of the City Council last Friday night and listened to a succession of denunciations of both the proposed change in the present ordinance prohibiting pool and billiard halls and those persons who petitioned that the change be made. Many of these denunciations were made by some of my very good friends—men whom I esteem and whom I know are as sincerely in earnest looking to the welfare of our young people as I or the other signers of Mr. Cushman's petition, but no more so.

My earnest wish is that all might unite in a sincere constructive effort toward one common end instead of one group waving the red flag of danger and impugning and maligning the intentions of those with whom they do not agree. Instead of so luridly picturing the evils which may in some cases associate themselves with resorts where billiard and pool tables are in evidence, why not first look the matter squarely in the face with minds free from bigotry and prejudice and decide whether or no the games in question do in and of themselves constitute an evil and a menace or whether, as in the majority of similar cases, the real evil is found to lie in the environment or association.

Our ecclesiastical friends and their supporters cannot say that billiards, pool and bowling are evil in themselves, for there is the Y. M. C. A., whose success is largely attributable to its encouragement and liberal use of these three games and kindred sports in its institutions.

Then there are the many churches that have elected to install these same "evils" somewhere on their premises in an endeavor to retain the interest of those just a trifle tired of bewhiskered ideas and customs.

So the little billiard ball and the larger bowling alley ball are really not sulphurous after all and have no more inherent evil in themselves than has the sanctified croquet ball.

I hope I have made it clear that it is environment and association rather than the amusements themselves that give cause for condemnation. All must admit that the environment of a billiard table in the slums of Los Angeles is very decidedly different to that of one in a highly respectable quarter or even a Y. M. C. A.

So why hold up the worst that can be found in a large city as an example?

CLYDE SUDLOW DEAD

GLENDALE MAN PASSES AWAY AFTER ACCIDENT WHILE AT HIS WORK

The news of the death of Clyde Sudlow which occurred at the Crocker Street Hospital in Los Angeles at 9:20 o'clock last night was a shock to the friends and acquaintances of the Sudlow, Grumblin and Blythe families of Glendale. Mr. Sudlow was at his work as an electrician at Station No. 3 near Lincoln Park in Los Angeles between 4 and 5 o'clock yesterday afternoon, when he and his helper, Mr. Armstrong, came in contact with a high voltage wire and were badly burned. They were taken to the hospital where Mr. Sudlow passed away at the hour stated, Mr. Armstrong being in a serious condition.

Mr. Sudlow lived at 202 East Garfield avenue, Glendale. He was thirty-eight years of age and is survived by his wife and two children, Marjorie and Donald. He was a native of Ohio and had lived in Glendale three years.

A coroner's inquest will be held Saturday morning at 10 o'clock at the L. G. Scovern Company parlors. Announcement of the funeral arrangements will be made later.

15 KILLED IN NEW YORK EXPLOSION

OCCURS AT NOON HOUR AT BUSIEST CORNER IN WORLD; HUNDREDS ARE INJURED

(Special Service to Glendale Evening News)

NEW YORK, Sept. 16.—A terrific explosion which killed fifteen persons and burned or otherwise injured more than 200 others, shook the financial district of New York today. The explosion was almost directly in front of the offices of J. P. Morgan & Co., at Broad and Wall streets.

While the police investigation is not completed, the most likely explanation appears to be that a wagon loaded with high explosives collided with an automobile in the street.

The wreckage of an automobile piled up on Broad street was identified as belonging to Dunham Beldon of South Orange, New Jersey. Pieces of a horse were found in the street but there is no trace of the wagon the horse is supposed to have been drawing.

The explosion struck with the devastating effect of a high explosive shell. Windows for blocks around were shattered.

Pieces of human bodies were found on window sills. The sides of the Morgan building were marked as though it had been subjected to a shower of shell splinters.

Every policeman available, soldiers, sailors and firemen were hurried to the scene. Emergency hospitals were established and the injured hurried away. The injured included both men and women suffering from burns, severe wounds and bruises. The explosion came just at the noon hour when thousands of persons were leaving their offices for lunch. The corner of Broad and Wall, the busiest corner in the world, at that hour was crowded, as usual.

None of the Morgan partners was killed, although four persons in the firm offices were killed, one of them being a girl. Julius Spencer Morgan, son of J. P. Morgan, was cut on the hands by flying glass.

The Stock Exchange and cotton and grain markets immediately closed for the day a few minutes after the explosion.

WASHINGTON, Sept. 16.—Department of Justice officials today said all their reports so far indicates the New York explosion was the result of a plot. They would not accept the theory of New York police that a wagon load of explosives collided with an automobile. The Military Intelligence bureau was cooperating in the investigation, indicating there may be an international angle to the explosion.

ILLINOIS ELECTION RETURNS

LOWDEN CANDIDATE FOR SENATE DEFEATED BY FRANK SMITH, THOMPSON MAN

(Special Service to Glendale Evening News)

CHICAGO, Sept. 16.—Incomplete returns from yesterday's election indicated that the Republican ticket may be divided between the Thompson and Lowden factions in the November election. Wm. P. McKinley, Lowden candidate for United States senator, today admitted defeat and sent a telegram of congratulation to Frank Smith, Thompson candidate.

Although Len Small, Thompson candidate for governor, held a lead of 100,000 in Chicago, returns over Lieut. Gov. John Oglesby, Lowden candidate, down state returns may overcome Small's lead in Chicago.

Former Senator J. Hamilton Lewis received the Democratic nomination for governor over Barrett O'Hara.

Uncle Joe Cannon was renominated for Congress for the twenty-first time.

COX SAYS OPPONENT'S SPEECH ON JAPANESE QUESTION WAS MEANINGLESS

(Special Service to Glendale Evening News)

ELKO, Nev., Sept. 16.—The Pacific coast Japanese problem came to the fore of Governor Cox's presidential campaign today with Cox crossing the Nevada desert preparing to spend four days in California. Cox was busy discussing the problem with Senator Pittman of Nevada, and other Democratic leaders preparatory to replying to Senator Harding's speeches, which Cox declared to be meaningless. Governor Cox was scheduled to give four speeches today.

ITALIAN CRISIS SPREADS

SEIZURE OF FACTORIES BY WORKERS PROCEEDS ON EXTENDED SCALE

(Special Service to Glendale Evening News)

ROME, Sept. 16.—Italian manufacturers are in session throughout Italy today to determine a means of combating control of their plants by labor organizations.

Meanwhile Milan reports seizure of factories continued on a large scale. Cotton mills and jewelry works have been taken over. The movement has also extended to the peasantry. Tenants are driving landlords off their land in Sicily.

Premier Giolitti's arrival in Turin was expected to result in immediate drastic action.

CAMPBELL-ENGLAND

COLIN C. CAMPBELL AND MISS ROSALIE ENGLAND WEDDED YESTERDAY

St. Mark's Episcopal church was the scene of a beautiful wedding yesterday at high noon, when Colin C. Campbell and Miss E. Rosalie England were united in marriage by the Rev. Hugh Cornell, acting rector. The bride was given away by her father, Frank England. Mrs. Edmund Glidden of San Diego, a sister of the bride, made a charming matron of honor. She was gowned in lavender organdie with hat to match and carried a bouquet of old-fashioned flowers. Miss Doris Shimer, of Los Angeles, was bridesmaid. She wore a beautiful gown of crepe de chine in the pastel shades of watermelon. Little Helen Glidden, a niece of the bride was flower girl and, gowned in white, with a basket of Cecil Brunner roses, attracted quite a bit of attention. The bride wore a white satin gown with veil and orange blossoms. Her bouquet was of bride's roses and lilies of the valley. The best man was W. C. Stephens, an ex-service man, from Los Angeles. Young Edmund Glidden, a nephew of the bride, was ring bearer. Francis England, a brother of the bride, was also a member of the bridal party. Mrs. Leroy Bosserman presided at the organ and gave a program of appropriate music before the ceremony, followed by Mendelssohn's Wedding March. The church was beautifully decorated by the ladies of the guild in pastel shades of asters with plenty of greenery. After the service about thirty-five of the relatives and friends repaired to the home of Mr. and Mrs. Frank England, 120 Burchett street, where a sumptuous wedding breakfast was served. The dining room was decorated in pastel shades. Over the bridal table a bell was suspended with tulle and greenery. Alex. Mitchell was toastmaster. Toasts were responded to by Oliver Clark of Glendale, Mr. Barker of Los Angeles, Frank England and Rev. Hugh Cornell. During the afternoon music was dispensed by Mrs. Bosserman, Little Helen Glidden and Miss Doris Shimer. Punch was served in an adjoining room where the presents were on exhibition.

The bride is the daughter of Mr. and Mrs. Frank England of 120 Burchett. The groom is an ex-service man from Canada. Mr. and Mrs. Campbell will spend their honeymoon at Catalina after which they will leave for their home near Fort Worth, Texas.

G. A. R. Encampment

Quite a number of Glendale residents have taken advantage of the low rates to the G. A. R. and W. R. C. National Encampment, which is to be held in Indianapolis. Those who went from here are Mrs. George Sanford and Miss Ida Cress, who will visit relatives in Indianapolis; Mrs. H. R. Boyer, who will visit friends in Chicago and Kenosha, Wis.; Mr. and Mrs. George Whittaker; Mr. and Mrs. I. N. East and daughter, Mrs. Maude Wright; Charles Bruck and son; Mr. and Mrs. M. J. Brennan; Mrs. Ida Lewis; Mrs. Anna Smith and Mrs. Louise Cavell and daughter, Mrs. Smith, who is the mother of Jesse E., of the Ford agency, will visit in Chicago, Toledo and Detroit, and expects to be gone about six weeks.

Annexation to Glendale

Editor Glendale Evening News:

I note by The Evening News of September 15 a letter written by Mrs. W. B. Kelley regretting the circulation of a secret petition for annexation to Glendale. The News of the same date advises us that the building permits for Tuesday for the city of Glendale amounted to \$37,000 and for the month up to Tuesday night \$240,845. We who favor annexation to Glendale feel as was stated in Mrs. Kelley's letter that we have an axe to grind as we would like our share of the prosperity that is coming to Glendale.

I absolutely deny that any secrecy or misrepresentation was used in the circulation of the petition for annexation and I have never heard of Mrs. Kelley's name mentioned in connection with the annexation movement.

JAMES CONNER,

MARJORIE RAMBEAU

HOME FROM ABROAD; SHE WRITES HER MOTHER IN GLENDALE

Marjorie Rambeau (Mrs. Hugh Dillman) and her husband landed in New York one day last week from the steamer New Amsterdam, twelve days out from the city of Amsterdam, Holland. They went across two and one-half months ago, landing at Portsmouth, England. After enjoying a motor trip through the southern part of the "tight little isle," they went to Paris, thence toured France, Belgium and Holland. In a letter just received by her mother, Mrs. L. B. Rambeau, of 122 West Lomita avenue, she expressed some very decided opinions on conditions across the seas. She says the H. C. L. as we know it here isn't a circumstance to conditions over there. All Americans who visit Paris are presumed to be rolling in money, and willing to pay any price for what they want. The only articles she saw at reasonable prices were gloves at \$6 a pair; medium grade hats were \$350 each in our money and the commonest kind of a house dress \$8.50, while hotel and eating charges were simply sky high. She had the pleasure of meeting the leading playwright of France, Henri Batouille, and he assured her she was a second Rejane. He urged her to study French for two years then come over and produce a play he would write for her.

Many of the battlefields and ruined cities were visited in France and Belgium. She said nothing looked so fine to her as the good old U. S. A. when first she glimpsed it from the steamer's deck, and it was with a shout on her lips and tears in her eyes that she greeted it.

Miss Rambeau expects to visit her mother and grandmother in Glendale about the first of the year.

Mary Jane Gillette Tent

The regular meeting of Mary Jane Gillette Tent, Daughters of Veterans, held at Hurtt's Hall, Tuesday night, was largely attended and matters of more than ordinary interest were brought up. Arrangements were made for visiting the disabled World War veterans now quartered in Glendale institutions and brightening their conditions. The Tent members will be entertained by Mrs. Wilona Crawford at her home, 800 South Central avenue, Tuesday evening, September 21, for the purpose of forming a sewing circle.

Three new members were initiated into the Tent. They were Miss Helen Gould, Mrs. Gladys Van Dyke and Mrs. Guy Pixley.

Mrs. Toll Heads Ebell

Mrs. Charles H. Toll of 1635 Kenneth Road has been elected president of the Los Angeles Ebell Club and these added duties made it necessary for her to resign the presidency of the Foothill Reading Circle, which position she has filled so acceptably for four years past. Her hospitable home was always open to the meetings of the Reading Circle and under her guidance much useful information was gained from the books read and reviewed. When she toured the East a few months ago her letters from the cities visited kept the circle in constant touch with similar organizations there.

YOUNG FRUIT FARM

F. B. MAYNARD'S LOT AT 460 OAK STREET PRODUCES MANY VARIETIES

F. B. Maynard, who bought the place at 460 Oak street a few months ago has found it to be one of the finest little fruit farms in Glendale, though the lot is only 50x125, and the house and lawn take up considerable of this limited space. Allen Aldrich, formerly chef at the Jonathan, California and other Los Angeles clubs he spent all his spare time in developing choice fruit on this place, which he owned for several years. Mr. Maynard said they had this season the finest of Crawford and Strawberry peaches, nectarines, Bartlett pears, loquats, Japanese persimmons, French prunes and Satsuma plums. They canned thirty-nine quarts of fruit and sold over \$15 worth, besides giving a great deal to neighbors. The soil there is very rich, Mr. Maynard says, and he raised some mammoth tomatoes and potatoes, and he has a fine asparagus bed. He is employed by the Auto Club of Southern California, in the insurance department.

A foundation with 190 feet frontage, the studding for the partitions rising fast and great piles of brick and hollow tile for the front, back and side walls scattered about—this is what greets the eye of the beholder who seeks the location of the new Glendale Research Hospital, just north of Piedmont Park, which is east of Adams and north of Lexington Drive. BURKHART-STONEY

MARRIAGE OF WM. G. BURKHART AND MISS OUIDA STONEY LAST EVENING

One of the prettiest home weddings of the season occurred last evening at the home of the bride's parents, Mr. and Mrs. J. D. Hail, 134 North Belmont, when Ouida Stoney and William G. Burkhardt were united in marriage by Rev. W. E. Edmonds of the Presbyterian church, who used the beautiful ring service.

Miss Rose Burkhardt, sister of the groom, and Miss Bernice Taylor were the charming bridesmaids, both gowned in pink and white organdie. The bride came in on the arm of her father to the strains of the wedding march played by Miss Faye Tarling.

The bride's dress was white georgette crepe and she carried a great bunch of American Beauty roses.

The bridal party stood under a canopy of flowers where the groom and his best man, George F. Cloader, joined the bride. The house was beautifully decorated in flowers and ferns and a delicious supper was served. The guests were the families of the bride and groom and a few intimate friends. Mr. and Mrs. Burkhardt have gone to San Francisco on their honeymoon and will be at home in San Diego after October 1.

Mr. and Mrs. Julius Kranz and daughter Barbara of 122 Fairview avenue have returned home from Hermosa, where they spent the summer in their beach cottage.

The funeral services of Clifton Wynfel Randall will be held Saturday afternoon at 3 o'clock in the parlors of the Jewel City Undertaking Company; interment in Forest Lawn Memorial Park. Rev. C. S. Prout will officiate.

Mrs. Anna Barr of 1327 Valley View Road has for house guests her two nieces, Miss Ruth Gardner of Washington, D. C., who is a trained nurse and expects to locate here, and Miss Grace Hartley, of Eugene, Ore., who is to teach physical culture at Claremont College this year.

Mr. and Mrs. O. F. Meyer of Fairmont, Minn., are among the recent Easterners who have succumbed to Glendale's charms. They are now located at 635 North Orange street, having arrived here about two weeks ago after motoring 5000 miles. They left Fairmont on June 7 coming by way of the Lincoln Highway, taking in Yellowstone Park, Seattle and many other places of interest on the way. Mr. Meyer is especially well pleased with the outlook in this section, but is disappointed in finding that Glendale has no independent postoffice and no park. He says that in these respects, only, is Glendale behind other cities of her class.

Little Barbara Louise, daughter of Mr. and Mrs. Walter Stamps of 204 West Lomita avenue, celebrated her seventh birthday yesterday afternoon with a party of her little friends. The afternoon was spent in playing games and having a general good time. Refreshments were served later. Those present besides the little hostess were her sister, Doris, Eleanor Russell, Virginia Russell, Emily and Adelaide Gillan, Catherine Evans, Phila Bartow, Leonor Bond, Estelle Taylor, Elaine Johnson, Mary Jane Gillan, Vera Lockwood, Betty and Hampton Hagood, Grace and Edith Carmack and Gladys Jordan. Little Barbara received many beautiful gifts.

A Record that Speaks for Itself

Something to crow about

STEADILY increasing demand demonstrates the superiority of P. C. A. Products. Today they are used exclusively on scores of the biggest poultry ranches in the Southwest. Surely such a record points the way to obtain greater egg production. Hens must be kept in a healthy, vigorous condition to maintain a high laying average, and there is no surer way to increase the laying ability of a hen than by feeding the perfectly balanced P. C. A. Products.

P. C. A. Dry Mash has won its way on sheer merit. It was evolved by an association of practical poultrymen after exhaustive tests and experiments.

Order P. C. A. Products from any of the following dealers:

CLEAN AMUSEMENT

Continued from Page 1)

ample of what we would have in a place like Glendale? Why class our men and boys with the inhabitants of the slums? The slums would be slums with or without billiards and pool. They remain slums in spite of the church and the mission.

Some undoubtedly still hold that the dance is iniquitous and possibly have at some time as strenuously opposed a dance hall as they now oppose billiard and pool halls and bowling alleys. But Glendale has several dancing places and still the town has not gone to perdition.

Los Angeles probably has dance halls so vile that no respectable person would risk being seen in one of them. Can our friends consistently hold up a picture of one of these dance halls of acknowledged vice as a prototype of our Glendale institutions where dancing is enjoyed by those who are fond of it? Have we not here a parallel in their strenuous opposition to the amendment of the present ordinance and the enactment of one granting the privilege of opening amusement places where billiards, pool and bowling may be enjoyed by those who enjoy the games?

Perhaps if some of our over zealous friends of the church opposition would pick up a billiard cue and give one of the evil little balls a poke with it, they might discover why young men and old and women as well will be found so strongly arrayed against the stand they take. Perhaps, if they could be once persuaded to roll a perfectly turned ball

More than 25,000 reindeer were shot yearly in Greenland between 1844 and 1849, but the animals are scarce there now.

down a beautifully polished alley straight enough to hit the pins, they might understand why even the children love the game. They might even observe the devil leaving from the same door they had entered.

Now as to the proposed new ordinance. There is one clause in particular which I do not favor—one which, written in all good faith, I believe to be pernicious. I refer to the clause excluding minors under eighteen years of age from these places of amusement. It is pernicious in that it practically acknowledges the institution as dangerous or immoral and thereby stamps it at once with the ban of disapproval and distrust. Such an institution Glendale does not want. It either wants amusement places which can in all propriety be frequented by men and boys, women and children or it does not want them at all. To license a place with such restrictions is the surest way to make it vicious.

The Rev. Edmonds writes that he has inspected pool halls in Long Beach and found them undesirable. He says they are conducted under the same restrictions as proposed here. Let the father go to the big bowling alley out on the pier at Santa Monica where apparently there are no such restrictions and let him report. There he will find men, women and children bowling, while over to one side he will see some billiard tables where women as well as men may be found playing and where naught but clean amusement and propriety prevail in the well lighted, well ventilated building. Here we have the proper association under right environment, free from suggestive restraint, and the result is obvious.

It is to be hoped that our City Council will reconsider the clause I have mentioned and give us an ordinance that will allow the establishment of places of clean amusement that will help keep our young men in Glendale and thereby keep Glendale clean.

H. M. BUTTS.

Be Attractive

Your youth, counted by years, may be in the past. Yet it is possible for you to have a clear, smooth skin and hair the color it used to be, fluffy and becomingly arranged. In other words you can look young if you wish without the use of anything harmful to your skin or hair. You owe it to yourself, your family and your friends to look your best. Call me for an appointment. I make no charge for consultations.

I feature: Hot Oil Scalp Treatments, Resinol Steam Pack Process for Blackheads, Medicated Tar Shampoo, Henna Process for Darkening Hair, etc., and for those ragged nails a Hot Oil Manicure works magic.

THE GLENDALE NATIONAL BANK

Would be gratified to add your name to our list of depositors. Opening a checking account is a very simple performance and once you have done so you would not go back to the old way of paying your bills in cash. You have often been inconvenienced because you had no bank account. Why not keep the resolution you made at that time—to open an account at this bank at your first opportunity.

This is the best time to carry out that resolution
